Horizon School Division 2010 Enrolment

Enrolment in Horizon School Division as of September 30, 2010 is 6421 Kindergarten to Grade 12 students. Combined with 83 Pre-kindergarten and Early Entrance and 56 Home Based students a total of 6560 students were reported to the Ministry of Education.

Marc Danylchuk, Director of Education, states. "It is notable that the decline in enrolment across Horizon School Division is certainly not as significant as previous years. This comes as good news for rural Saskatchewan and the students we serve. We will continue to work diligently to ensure that students across the Division receive a quality education and that Horizon continues to be "A Community of Learning and Achieving."
