September 30 Student Enrolment in Horizon

Humboldt, SK – As of September 30, 2021, Horizon School Division has 6373 students enrolled in Prekindergarten to Grade 12, including 331 students who are involved in learning from home opportunities. This total includes 141 home-based students, 135 students in grade K to 9 in Learning From Home, and 55 grade 10 to 12 students in Horizon’s Distance Learning Centre.

“We have 63 more students in our system compared to this time last year,” said Director of Education, Kevin C. Garinger. “We are pleased to offer education solutions for all of our students in the Horizon School Division.”

“Punnichy Elementary Community School’s enrolment fell by 35 compared to 2020 due to moves within Horizon and to Regina schools, however we are pleased to see that numbers we have nearly met our projections for the 2021-22 school year. We also saw increases of 23 or more students in Quill Lake, Ituna, Wakaw and Wadena Composite Schools.”
