Re: Horizon Return to Sport Protocol Updates

Good evening, Horizon families and staff.

Earlier this week, we shared with you the [Horizon School Division Return to Sport Protocol](#). I am writing today to inform you that we have made a number of changes and updates to language within this document, most of which are in relation to protocols for student transportation and multi-school co-ops.

You can review a summary of these changes [here](#).

The most up-to-date version of the [Horizon School Division Return to Sport Protocol](#) can now be found at horizonsd.ca/HCAA/ReturntoSport. We will be adjusting this document regularly as we move forward, to align with new information and Health guidelines. I will keep you informed of any significant changes, and the most current version of this document will be the version found on horizonsd.ca/HCAA/ReturntoSport.

It is our belief that engaging our students in school sport and play creates invaluable learning opportunities within a health & safety-minded environment. We are proud of the work of all involved to make these opportunities possible in this challenging year.

On behalf of my office and our Board of Education, thank you for your continuing support, understanding, and cooperation. We are only in a position to provide our students with these opportunities for learning and sport because of the collaborative efforts that everyone in Horizon School Division continues to put forward to slow the spread of COVID-19. I am extremely grateful to each of you.

Thank you,
